

PLEDGE

OUR CONGRESS IS FUNDAMENTALLY BROKEN

The House of Representatives must change in a way that diminishes the influence of the extremes, creates a more open and inclusive legislative process and empowers leaders to reach across the aisle to do what's best for our country.

That is why I support the **Break the Gridlock** rules reform package proposed by the House Problem Solvers Caucus.

If I am given the honor to represent my district in the 116th Congress, I pledge the following:

1. I will support the **Break the Gridlock Rules Package**
2. I will vote only for a speaker who also supports it.

These reforms are worth fighting for and that is what I intend to do if I am elected to serve in the U.S. House of Representatives.
